

Class II Restoration – Mandibular First and Second Primary Molars

Procedure/Study by

Dr. Carla Cohn, DMD, MAGD

Composi-Tight® 3D XR 

Class II Restoration – Mandibular 1st and 2nd Primary Molars

By Carla Cohn, DMD

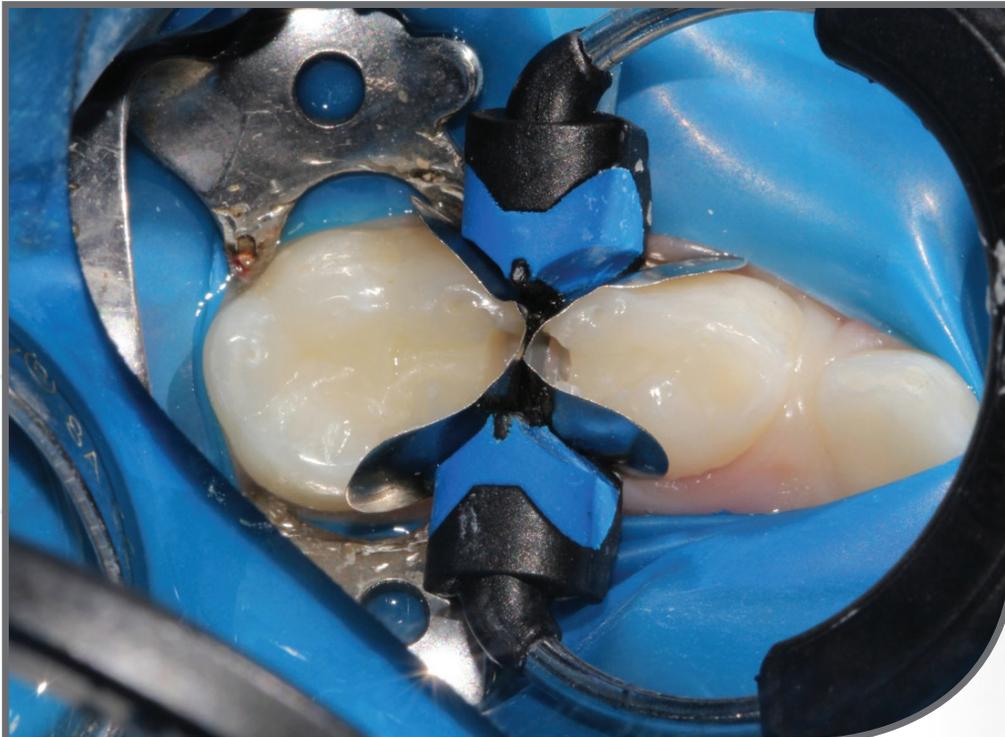

Dr. Cohn graduated from the Faculty of Dentistry at the University of Manitoba in 1991. She then went on to complete a post graduate internship in Children's Dentistry at Health Science Centre Children's Hospital. Dr. Cohn entered into private practice after graduation and dedicated most of the first decade to working and raising her three sons. Today Dr. Cohn's private practice, at Kid's Dental, the focus is on prevention. It is both pro-active and ground breaking.

Dr. Cohn holds appointments at the University of Manitoba, Faculty of Dentistry, and the Dean's Advisory Board at the University of Manitoba. She has surgical privileges as a shareholder at Western Surgery Centre - a private surgical clinic. Dr. Cohn is a member of the following organizations: Canadian Dental Association, Manitoba Dental Association, Manitoba Dental Alumni Association, Winnipeg Dental Society, Women's Dental Group, American Academy of Pediatric Dentistry and the Canadian Dental Institute.

Dr. Cohn has lectured nationally and internationally on risk assessment, prevention, behavior management and restorative treatment options. She speaks as a clinician who has observed first hand and dealt directly with everything presented in her courses.
