

Quarterly Promotions!

Buy 3 Garrison® instruments, get a 4th FREE!

Free instrument must be of equal or lesser value.

Trouble placing your rings?.....

you may not be using the correct forceps.

Today's rings are so strong that we can no longer rely on our rubber dam forceps to do double duty. Forceps designed by the manufacturer for their ring system allows you full control and the ability to open the ring wide enough to fit over the largest molars.

FXP01
Premier Ring Forceps

\$156

AUMRDF-100
Ring Forceps (not shown)
